Dear New Member:

On behalf of the International Board of Trustees and the thousands of government employees, who like you, have joined together to improve the government employee image, we would like to congratulate you on becoming a member of the Association.

FEA/GEA offers you the opportunity to better your life with Association endorsed insurance plans, discount savings on those items you buy from day to day. You'll be able to save money on eyeglasses and replacement contact lenses, you'll get discounts on hotels and car rentals; movie tickets and so much more. You will also be enrolled in the extended warranty program and get our guarantee of lowest prices when you shop from our distributors or we'll pay you double the difference on your purchase.

If you like the many benefits FEA/GEA has to offer, tell your friends and fellow workers. It is through strength and unity that we CAN make a difference. Should you have comments or suggestions for your Association, please let us know. This is YOUR Association and the entire Board of Trustees is here to help.

Again, congratulations on becoming a member of our growing family of government employees. Be proud to say, "I'm a government employee and I belong to FEA/GEA."

Sincerely,

George A. Callaway, President
Federal Employee Association
